Rio Vista Farm Historic District. Pappachis moth is the allegorical representation of expropriated knowledge, whereby the colonial institution has denied him recognition for his own discoveries and thus the primacy of his own episteme as advanced knowledge. The farm ranchers in Finney County, of which Holcomb is a part, have done well; money has been made not from farming alone but also from the exploitation of plentiful natural-gas resources, and its acquisition is reflected in the new school, the comfortable interiors of the farmhouses, the steep and swollen grain elevators.
