But as time goes on they begin to realize that even if the child could be released, it would not get much good of its freedom: a little vague pleasure of warmth and food, no doubt, but little. This use of the word evidently arose from the German "gegen" in this sense, which was translated into English. Reality assumes form in order to emerge into the consciousness of sentient beings and thereby guide beings beyond the attachments and compulsions of their discriminative, reifying, conceptual grasp of their own existence and the things of the world around .
