Based on this analysis, ancestral climatic niche occupancy was reconstructed using niche occupancy profiles. Both proceed with versions of the expected testing dialogue, where the wife gives absurd replies, claiming that the horse is a pig, or that the three horses are milking cows, the sword[s] are a porridge-spurtle or roasting spits, the wig is a hen, or, alternately, that the three cloaks are bedspreads, the boots pudding bags, the three pairs of breeches, petticoats, the three hats, skimming dishes, and the head of the lover in bed, a mush melon, or the three lovers in bed, milk-maids. Les lignes, les couleurs, les sons, deviennent vagues. But latterly an entering wedge has been made with Sunday schools and evening schools for teaching the English language. Mapping
