The idea is to: increase the Congress' power to allocate resources making the budget imperative instead of authoritative ; increase the decision-making power of permanent technical committees; and, alter the structure of the opportunities that politicians face.

## Reading and Writing to Learn: Strategies across the Curriculum

Home, whose interest in the Highlands of Scotland was not new, went on with the young James Macpherson to retrieve something of greater significance in the hope of attracting further English kindness, and again his attempt became embroiled in political controversy, for the Fragments of Ancient Poetry and Fingal roused not only the wrath of Irish scholars, who considered the Scottish project an attempt at cultural theft, but also many Englishmen, who saw the poems as an upstart Scottish attempt to gain favour at court through a new literary pedigree: an ancient epic couched in biblical language with all the trappings of serious scholarship. That said, I thought it was well written in good English, good grammar and importantly for me few Americanisms though there was an odd one here and .
