METHODS: Twelve women who met DSM-IV criteria for a depressive  
disorder were recruited from a rural mental health clinic and  
offered 16 weekly sessions of supportive psychotherapy with  
cognitive-behavioral elements in an administrative conference  
room of a local supermarket. He is not interested in giving  
some proof but in criticizing his addressee. The shadow of  
politics, however grim, here illuminates the beauty of the  
history that Dumesle narrates and paints into poetic verse.  
This is where Alex learns that she was never insane or  
hallucinating in the past.
