## **Erotic Nude Picture Book, Raw Real And Ready: Emma Heart**

The report recommends further support for existing experimental programmes and the establishment of a number of new programmes to focus, for example, on large-scale thermal-hydraulic experiments on the coolability of partly or completely uncovered spent-fuel assemblies and the investigation of spray cooling for uncovered spent-fuel assemblies in typical storage racks. It argues that despite sometimes heavy-handed political biases in its publications, the institute made an important contribution to research on the Shoah.
