The Rattlesnake Kid

After numerous discussions, we advocated a teaching that would not choose either the Portuguese variant or the Brazilian variant, but, differently, we would choose to consider the divergences between the two variants, so that this could be taken into account in the process of contribution to a future description of the Timorese Portuguese standard, since although there is little material already published in this regard, it is important to emphasize the need to be sensitive to the specificities that exist in that context.
